The public representatives in attendance were Cllrs Mary Freehill (Lab), Ruairi McGinley (Ind), Claire O'Connor (FF), and Paddy Costello (GP). Apologies were received from Eoghan Murphy TD (FG), Jim O'Callaghan TD (FF) and Anne Feeney (FG).

### **1. Welcome**

Fionnuala Blake welcomed everyone present and thanked them for their attendance.

### **2. Minutes of the AGM, 2016**

The minutes of last year's AGM were taken as read and signed.

### **3. Chairman's report, 2016-2017**

The Chairman's report was distributed (see attached). A few additional remarks were made concerning several topics and thanks were given to Terenure Enterprise Centre for facilitating the Committee's monthly meetings.

### **4. Garda Representatives**

The AGM was attended by Superintendent Colm Murphy and Sergeant Brendan Kelly. Supt Murphy addressed the meeting and gave a brief summary of his broad experience in the Gardaí. He acknowledged the Chairman's work and the effectiveness of the monthly meetings with the Committee's Garda Liaison person.

He stated that five new recruits had arrived the previous week and that would allow increased Gardaí patrolling or on foot in the Terenure area. Supt. Murphy also noted that that Traffic Divisional Headquarters were stationed in Terenure and that recently five new members allocated to traffic functions.

Sergeant Brendan Kelly spoke about levels of crime within the area over the last year.

He highlighted the continued theft of cars which is facilitated by leaving car keys on hall tables and urged residents to be aware of the practice of "fishing" for keys through letterboxes. He advised residents, particularly the elderly, to be wary of people calling to the door and attempting to gain access by bogus means. He also mentioned that there had been several attempted handbag snatches in the last few months and several garden sheds broken into with garden equipment and bicycles taken.

Several local residents raised a number of issues within the area with the Gardaí, in particular anti-social behaviour within Bushy Park. Sgt. Kelly and Supt. Murphy stated that they were aware of all these issues and were monitoring the park on a weekly basis with patrol cars driving through it daily.

Other issues which were addressed to the Gardaí were the potential for 30kmslow lanes within the area, the issue of cyclists cycling through Terenure traffic lights and the fact that the 'no left turn' into Wasdale Park was being ignored. Graffiti, dog fouling and noise from house alarms were also raised.

The Gardaí asked that residents contact them if they concerned about anything or see anything unusual within the area, they stated that residents should not assume they always know what is going on within the area.

### **5. Rob Chester DCC**

The AGM was attended by Rob Chester from DCC. He provided an overview of the work and involvement by DCC within the Terenure community. He stated that the Community Team provide support for a number of key Community Projects and Groups in the Terenure area including; I Love Terenure 2030, Evergreen Club, St. Joseph's Parish Hall, The Terenure Men's Shed, Terenure Tidy Towns, Terenure Parent and Toddler Group, Terenure Trader's Association, Residents' Associations and Bushy Park Market. ## 6. Roads and Traffic

Ben Costello presented the Roads and Traffic report (see attached). He spoke about the progress made in the last couple of months in relation to Roads and Traffic within the Terenure area. He stated that a major submission had been made to DCC in March requesting a meeting with officials. Owen Keegan, CEO of DCC, has now agreed a number of items to be completed in the area including improving footpaths expected to be completed in October 2017 and further meetings with the City Manager and Area Engineer are to take place in the coming weeks.

## 7. Planning Report

Jim Dowling presented the Planning Officer's report (see attached) and a few additional remarks were made. He stated that there had been very few applications relating to our area in recent weeks and advised the meeting that the Committee does not object to applications unless approached to do so. He discussed in detail the development of the planning permission which has been granted at the site of 85 Templeogue Road.

## 8. Public Representatives

CLlr Freehill (Lab) discussed staffing issues and resources within the DCC. She stated that staffing had been cut by 2000 people since 2008. Also that three engineers had left in January and had not been replaced. She also discussed no toilets in Bushy Park and that all parks should have public toilets. She also addressed the issue of cyclists cycling on the footpath and that it was illegal to do so.

CLlr O'Connor (FF) similarly noted the traffic concerns and stated that she had been working and supporting Ben Costello on the traffic issues within Rathdown and she has made several submissions in connection with traffic and roads amendments within the area.

CLlr McGinley (Ind) also addressed the meeting on a number of matters and highlighted his ongoing support for the work of the Committee.

Paddy Costello (GP) thanked all those who were in attendance at the AGM. He addressed the issue of dog fouling within the area and said that this issue was not being addressed enough. He stated that in the period 2012-2014 only 10 people had been fined.
